FOR IMMEDIATE RELEASE – June 25, 2014**ONE HUNDRED FORTY-TWO GRADUATE FROM MSPB CERTIFICATION PROGRAMS**

Jackson, Miss. – The Mississippi State Personnel Board (MSPB) is pleased to announce that 142 government employees representing 34 agencies across Mississippi recently graduated from the Certified Public Manager® and the Administrative Support Certification Programs offered by MSPB. Speaker of the House Phillip Gunn delivered the keynote address at the CPM ceremony. Mr. Randy Reeves, Executive Director of the Veterans' Affairs Board, addressed the ASCP graduates.

The Certified Public Manager® Program combines classroom training and experiential learning to develop leadership and supervisory skills in managers of state agencies. Participants must complete six levels of course work, successfully complete real-world projects, and pass multiple written examinations in order to complete the certification process.

The Administrative Support Certification Program uses the same methodology to equip administrative support personnel with the skills needed to serve agencies and clients. Participants must complete three levels of course work, including projects and written examinations, in order to become certified.

MSPB Executive Director Deanne Mosley said, "We are pleased to offer these certification programs to ensure a quality workforce throughout our State. For government to operate efficiently and effectively, it is critical to have a well-trained workforce to serve the citizens of Mississippi."

MSPB offers training programs tailored to state and local government entities at reduced costs. During Fiscal Year 2014, which ends June 30, 2014, more than 4,300 participants enrolled in training classes offered by the Mississippi State Personnel Board.

A list of all graduates sorted by the location of their agency is included.
